- Equipment Selection & Sizing Calculation
- Development of Data Sheet & Specification for electrical equipment, Vendor Document Review
- Interdisciplinary Design Co-ordination & Guiding designer/drafting team for project

deliverables

- Well conversant with major industry code and standards (IS, NBC, BS, IEC & IEEE), Safety & Regulatory requirements
- Should be conversant and review electrical studies with : ETAP, SKM DIALux, Amtech.
- Should be client facing and handle multiple projects.
- Should be able to lead and guide a team of engineers.
- Should be able to carry out project operations.

### **What we offer**

We will give you the flexibility you need to do your best work with hybrid work options. Whether you're working from an AECOM office, remote location or at a client site, you will be working in a dynamic environment where your integrity, entrepreneurial spirit and pioneering mindset are championed. You will help us foster a culture of equity, diversity and inclusion – a safe and respectful workplace, where we invite everyone to bring their whole selves to work using their unique talents, backgrounds and expertise to create transformational outcomes for our clients. We will encourage you to grow and develop your career with us through our technical and professional development programs and diverse career opportunities. We believe in leadership at all levels. No matter where you sit in the organization you can make a lasting impact on the projects you work on, the teams and committees you join and our business. We offer competitive pay and benefits, well-being programs to support you and your family, and the development resources you need to advance your career. When you join us, you will connect and collaborate with a global network of experts – planners, designers, engineers, scientists, consultants, program and construction managers – leading the change toward a more sustainable and equitable future. Join us and let's get started. As an Equal Opportunity Employer, we believe in each person's potential, and we'll help you reach yours.
