We invite highly motivated and experienced professionals with a keen interest in assurance and advisory work to join us! At Grant Thornton, our people are talented, intellectually curious and driven to make a difference for our clients, our community and our firm. We pride ourselves on cultivating a culture where people are inspired to bring their whole selves to work each day. This newly created department specializes in international and complex assurance engagements as well as due diligence, internal audit and other specialist advisory services. You will play a key role as a member of our team providing risk-based consultancy and assurance services to our base of local and international clients. Our aim is to help our clients better understand; manage value and risks at every stage in the transaction.

Key Responsibilities

1. Perform and assist in a wide range of engagements including internal audits, due diligence, financial assurance, forensic investigations, SOX advisory and other consultancy services
2. Ensuring that key deliverables including work programs and audit reports are completed in accordance with the relevant quality standards
3. Drafting reports and corresponding with clients in both English and Mandarin
4. Think analytically and creatively to develop pragmatic and value-added solutions for clients
5. Assist in business proposals and other business development materials

Opportunities:

1. High performers will be groomed to lead engagements independently and provided with training and learning opportunities to develop and enhance relevant skillsets.
2. At Grant Thornton Taiwan, we recognize that each individual is unique and opportunities will be given based on aptitude and proven ability to perform.
