Description

& Summary

PricewaterhouseCoopers' Financial Advisory Services Group provides a dedicated team of specialists with extensive skills in creating solutions and enhancing values for our clients. We offer a comprehensive range of financial advisory services to companies of all industries, support companies through every stage of a transaction and provide creative solutions for acquisitions, divestitures, mergers, joint ventures, corporate restructurings, and corporate valuations. PricewaterhouseCoopers Taipei has engaged all industry types, facilitating deals for clients ranging from major local and global corporations to financial investors. We maintain close contact with our global network for support in cross-border deals. We seek bright, ambitious individuals with the following qualifications:

We seek talents with strong technical and analytic skills. Equity research experience will be an advantage, but not prerequisite.

Valuation

Corporate Finance

For associate level, talents should have finance academic background and highly motivated in finance or valuation related. Be proficient in VBA, Data structure and Data Analytics.

For senior associate level, talents should have 2+ year corporate finance or valuation related.

Please provide your resume in English AND Chinese version
