Job Description

We're searching for individuals who are passionate about social media and regular

users of Gmail. This remote position requires ownership and daily use of a smartphone and familiarity with various social media platforms and Google products. Your reliability, adaptability, and adherence to guidelines are key. In this role you will have the opportunity to contribute to safer internet browsing by reviewing and filtering potentially sensitive and adult material.

Through this work you will be making a valuable contribution by expressing your opinion on the quality and content of what is currently out there on the web and protecting users from viewing unsuitable material.

This role offers the freedom to work remotely, allowing you to set your hours based on task availability.

The estimated hourly earnings for this role are 8.70 USD. Payment is based on completed tasks, with potential for higher earnings based on productivity.
